LUNG CANCER SCREENING

SCREENING INFORMATION:

- Screenings are quick, painless, and non-invasive, taking only about 20 minutes. Many insurance plans, including Medicare, cover the cost for eligible individuals. For those without coverage, ask us about eligibility for free or discounted scans.

CRITERIA:

- Patients aged 50-80 years
- Must have a 20 year or more pack-year history
  (number of packs of cigarettes smoked per day x the number of years smoked)
- Must be a current smoker or someone who has quit smoking within the last 15 years.
