

ELECTRICIAN / ELECTRICAL APPRENTICE

*Competitive pay based on experience
with benefits (except health insurance)*

Local Electric is hiring! We're looking for a hard-working, energetic electrician who aligns with our culture and wants to grow with our expanding team. If you take pride in your work, show up on time, and want to be part of a fast-paced, respected electrical contractor, we want to meet you.

Position Overview:

- Work directly with our residential, commercial, and service divisions
- Perform electrical installations, troubleshooting, and maintenance
- Assist with EV chargers, lighting upgrades, remodels, new construction, and more
- Follow safety standards and maintain a clean job site
- Collaborate with crew members and communicate well with customers

Requirements: electrical experience is mandatory; ability to work on a team and independently; strong work ethic and positive attitude; valid driver's license; and willingness to learn and take direction. **Benefits:** excellent pay; paid time off; retirement plan; bonuses and growth opportunities; and supportive leadership and a company that invests in its people.
