

Mt. Mansfield Academy

Teaching Opportunities

Mt. Mansfield Academy has openings for teachers at the middle school level in **Science** and **Math** for the upcoming school year. Teachers must have the skills to reach students with engaging lesson plans, create resources, have innovative approaches to presenting content, provide support, act as a mentor and continue professional development. Positions are part-time for the full academic year.

*Candidates should send a resume: academics@mmsca.org
MMA is committed to creating a positive and respectful environment with a focus on developing strong, independent learners. EOE.*
