PUBLIC WORKS

INVITATION TO BID

Williston Road Water Valve Replacements - South Burlington, VT

Sealed Bids for Williston Road Water Valve Replacements shall be received and accepted until 2:00 P.M. on Wednesday, August 19, 2026, local time at City of South Burlington City Hall at 104 Landfill Rd, South Burlington, VT 05403.

Bid opening will occur immediately after the submission deadline.

PROJECT DESCRIPTION: The excavation of roadway materials, the replacement and installation of water system components including gate valves and valve boxes, 3-way gate valve assemblies, water line tees, curb stops, and water service lines. Work includes backfill and restoration of excavation sites to match existing conditions including curbing, concrete sidewalk, and Type II bituminous pavement repair (up to 6" thick), etc. in accordance with the City of South Burlington Public Works Standards.

All necessary water line materials including water pipe, gate valves, tees, fittings and appurtenances will be provided by the South Burlington Water Department.

BID DOCUMENTS: Electronic Plans and Bid Documents may be obtained from the City of South Burlington by contacting Brett McCreary at bmccreary@southburlingtonvt.gov. The City shall track all plan holders for addendum distribution.

CONTRACT COMPLETION DATE: The Contract shall be completed on or before November 13, 2026.

QUESTIONS: During the advertisement phase of this project all questions shall be addressed solely to Brett McCreary, Deputy Director of Water Resources, 104 Landfill Road, South Burlington, VT 05403, (802) 658-7961 x6113, bmccreary@southburlingtonvt.gov.
