

## Care Coordinator/Case Management

Case Managers support older Vermonters in the community to stay as independent as possible in the environment of their choice by promoting health, rights, independence, and economic well-being.

This position is based in our Barre office, combined with in-home field visits. Staff are never asked to be on-call or work weekends.

**Pay Range:** \$24-\$26 per hour. Generous benefits including 401(k), health insurance, and paid time off.
