

Controller

Hardwick Electric Department (HED), a municipally owned electric utility with \$7M in annual revenues, is seeking a Controller to lead financial reporting, budgeting, audits, and accounting operations. The Controller serves as HED's chief accounting officer and supports the General Manager and Board with accurate financial analysis and regulatory compliance.

Requirements:

- Bachelor's in accounting/finance (CPA preferred)
- 5-7 years accounting experience, municipal/utility preferred
 - Knowledge of FERC, GASB, GAAP
 - Strong analytical and communication skills

Competitive salary and full municipal benefits.
