

DEVELOPMENTAL SCREENING & PRESCHOOL REGISTRATION LAMOILLE NORTH SUPERVISORY UNION

We are offering developmental screenings for any child between ages three through five who live in the Lamoille North school district. Children must be three by August 30, 2026. At the screening you can learn more about our school-based preschool programs and Act 166 partner programs. During the screening, children will have the opportunity to interact with art supplies, blocks, puzzles and imaginative play materials. Educators will interact with the children to gain information about each child's development in the areas of cognitive, motor, communication and social-emotional development. Parents will complete questionnaires about their child's development. The screening is free and will take about 45 minutes.
