Ferry Road Trail Segment - Engineering Design

The Town of Charlotte, located in Chittenden County, seeks sealed proposals from qualified engineering firms for design engineering services for the Ferry Road Trail Segment: approximately 1,800 linear feet of new aggregate path along the eastbound—or south—side of Ferry Road connecting the Charlotte Village Loop Trail “Boardwalk Segment” to the Cowboy Lewis Trail. For complete details visit: charlottevt.org/jobs.

Sealed proposals are due by August 14th.
