

Village of Hyde Park Electric Department **CONTROLLER**

The Village of Hyde Park Electric Department is seeking a full-time Controller to oversee the financial operations of our municipal electric utility. Responsibilities include accounting, financial reporting, budgeting, audit preparation, regulatory filings, cash management, payroll oversight, and long-range financial planning.

Qualified candidates should possess a degree in Accounting or Finance (or equivalent experience) with at least five years of accounting experience. Municipal or utility accounting experience, including knowledge of FERC and GASB accounting principles, is preferred.

We offer a competitive salary and excellent municipal benefits. Occasional evening meetings are required.

To apply, please submit a cover letter and resume to GM@villageofhydepark.com. Position is open until filled.
