

*Join a professional manufacturing environment where innovation and employee ownership drive a shared commitment to excellence.*

### Accountant: Manufacturing & Financial Operations

We are seeking a detail-oriented Accountant to manage financial recordkeeping, internal controls, and GAAP compliance.

- **Key Duties:** GAAP compliance, ledger reconciliations, and financial reporting.
- **Requirements:** Bachelor's in Accounting/Finance (CPA preferred) & 2+ years experience.
- **Focus:** Maintain financial documentation to ensure readiness for internal and external review.

### Shop Foreman: Production, Quality, and Safety

We have an immediate opening for a hands-on leader to oversee our manufacturing floor and production personnel.

- **Key Duties:** Daily workflow oversight, equipment maintenance, and shop safety.
- **Requirements:** 5+ years manufacturing experience with a track record in supervision.
- **Skills:** Demonstrated leadership experience.
