Sponsors, Supporters and Volunteers

Green Ribbon Campaign

Be sure to patronize the local businesses, restaurants and retailers participating in our Green Ribbon Campaign – they are our HEROES! These generous local businesses donate at least 10% of their sales to the Stowe Weekend of Hope – their donation is absolutely critical to the Weekend's success! Each year, it's simply amazing to see so many businesses stepping up to help the Stowe Weekend of Hope. PLEASE shop and dine at these establishments and help show them how incredibly grateful we are for their support! Look for the Green Ribbon sign outside these businesses.

THANK YOU!

To Our Volunteers

We would like to extend our heartfelt gratitude to the unsung heroes of the Stowe Weekend of Hope – the many volunteers who dedicate their time, talent and countless hours to make this event happen. Of particular mention are our weekly office volunteers - Board members Paula Helmken and Deb Clark and their registration assistants: Janis Boossarangi, Barbara Cunningham, and Sandy Duncan, Shelly Howard, and Bill and Lois Parmelee. Thank you to Stowe Town Planner, Tom Jackman, for all your efforts as a great friend to SWOH. We also could not do what we do without the fantastic support of the Stowe Area Association team, especially Zak Bergmann and Amy Morrison.

THANK YOU!
