We focus on Central and Northern Vermont, and the Champlain Valley. We target our distribution to help put your potential customers in touch with the best purveyors of wedding services in those areas. The magazine focuses on the greater Stowe area, one of the most famous vacation destinations in the East; the rolling farm country of northwestern Vermont and the Champlain Valley; the lakes region of the Northeast Kingdom, including the quintessential villages of Greensboro and Craftsbury; and the ski communities of Jay Peak, Smugglers' Notch, and the bucolic Mad River Valley.

* Stowe Weddings is distributed in the greater Stowe area; Green Mountain Weddings will be available in the rest of the our distribution area. The content in both titles is identical.
