Kay,
Although my hair keeps getting whiter,
our future together still gets brighter!
Just to let you know you're still the

To: R.R.

The joy and love we share is the sun
shine of our home and life. I publicly and
willingly acknowledge you are my beautiful
and loving wife. We continue to learn and
bond in our marriage The love and respect
I have in my heart for you grows stronger
each day.

Our health has changed to some degree.
We help nurse one another to good health.
We are there for each other.
My heart racing, my eye's teary, my hands
a bit shaky, as I convey in my writing
I Love You.

Our Hearts and Soul Invested.
It's my Honor and Privilege
to recite to you on this Valentine's Day
the words you had engraved into my gold
wedding ring

Love Always

Happy Valentine's Day
I'll Be There For You
Forever your loving husband
