

The Pecos League is proposing a baseball team in Gering, Nebraska in 2027 season.

Below are details of the proposal

What is the Pecos League?

<https://www.PecosLeague.com>

The Pecos League is independent baseball league founded in 2011. It is a 16 team league in which teams play a regular season and playoffs. The Pecos League has a pacific division and a mountain division. It is a league where most of players are directly graduates from college when are age 25 or younger. Seven players have reached Major League Baseball after playing the Pecos League.

We are registered in the state of Nebraska.

Pecos League's Mission Statement

Pecos League's Mission is to bring the excitement to our fans, staff, players and cities through innovative experiences, providing affordable, family-friendly entertainment, and supporting its teams and players. The Pecos League plays in great communities within the Bay of Area of California and the Southwestern United States.

This mission is achieved by building bridges into the game, supporting community initiatives, and creating a family and fan-friendly environment in every ballpark.

Why Gering?

The Pecos League will be entering its 17th year of play in 2027 and its 4th year in Nebraska.

After research of the history of Gering, we believe the problem is simply lack of opponents to play. The Pecos League owns all of its teams and this would be an issue. The Oregon Trail Ballpark would be a major upgrade in facilities, scheduling and attendance over the current Nebraska Market the Pecos League plays in. We believe the Pecos League could be the best baseball ever hosted in Gering and bring the magic back like it was in 2018-2019. We would model the team after the Garden City Wind (Kansas) team which has great success.

Proposer Information and Authorization

Entity Name: ____Pecos League Baseball LLC_____

Authorized Agent Name & Title: ____Andrew Dunn Director_____

Telephone Number: _____

Email Address of Agent: _____andrew.dunn@pecosleague.com_____

Business Address: _____

City, State, ZIP Code: ____Houston, Texas 77277_____

Date: 07/31/2026

Bring a Pecos League Team to Gering with ½ games at home and ½ games away.

Play in the Pecos League Mountain North Division with

Garden City, Kansas

Blackwell, Oklahoma

Trinidad, Colorado

Also play against

Grand Junction, Colorado

Roswell, New Mexico

Santa Fe, New Mexico

Tucson, Arizona

Pecos, Texas (The city of Pecos)

Alpine, Texas

The Team would be non exclusive users which would allow traditional user groups to have their dates as needed. We would be seeking a fixed schedule with either with either two or three home games a week. The Team would sell Tickets, Merchandise, Beer and Food Concessions.

The goal would be to be relevant in the Gering Summer Entertainment Community.

We would be seeking a fixed schedule with either two or three home games a week. We will attempt to run the best promotions and have the best staff available to work for the team.

We will host glow in the dark game between members of the police and fire. <https://www.roswellinvaders.com>

Youth Baseball Camps once a week when team is town.

Full access to typical things needed by baseball team and concessions.
