Wow. Davis called Annie in and fricken told her that someone said she told them Beth was having an affair. Annie told them she was pissed that they would call her down there for something so stupid and it's totally untrue. And now they are starting to damage Beth's character. I'm about ready to send an email to Davis and Joel Jett. This is getting rediculous

Beths nail lady Tonia just told Beth that the Sheriff called her cell phone a week or so back right after Beth got her nails done and asked her if Beth said anything to her about you advising her to not get the polygraph. What the hell is that all about???? The nail lady said she knew nothing about a polygraph at all because Beth didn't discuss anything with her. But it freaked Tonia out and now Beth thinks her phone is tapped or she's being followed. Beth Is going to relapse if this crap doesn't stop. I just don't get it.
