WAVES, MEN VOLUNTEER IN TRANSFUSION

Wednesday at Albert Sullivan, of Famous Fire, Critically

Catherine Sullivan, 28, the wife of Albert Sullivan, was among the five Waterloo High School students who died in the service of their country during World War II. The Sullivan family, like many others, is facing the same problem that all families face: determining where to find the right blood for their loved one.

The Fighting Sullivans fund to send blood to Waterloo in order to help with the medical needs of the hospital. The hospital needs a lot of blood, and without it, they can't save lives. The hospital is in desperate need of blood, and the Sullivans are doing everything they can to help.

The Sullivans are part of a group of people who have been volunteering their time and energy to help with the medical needs of the hospital. They are determined to make sure that every patient gets the care they need, and they will do whatever it takes to make that happen.

Four Clubs Help Tots to Sun Trips

Four Waterloo clubs with an interest in the welfare of children have banded together to help the city's youth enjoy the outdoors. The clubs, which include the Junior Chamber of Commerce, the Waterloo Kiwanis Club, the Black Hawk County Boyscout Council, and the Waterloo Women's Auxiliary, have pooled their resources to provide a sun trip for 100 children from the city's schools.

The trip, which is being planned for May 5th, will take the children to a nearby park where they will enjoy a day of fun and games in the sun. The clubs are working together to make sure that every child has a chance to participate in the trip, and they are willing to do whatever it takes to make that happen.
