**Perfect!**

Bibs are part of the newest Paris dresses.

Today's pattern includes a charming example. Here on a dress of black crepe silk with vivid green crepe contrast, is a green crepe bib. And so that this modern bib shan't get in the soup, it is caught with a black metal bar pin, which incidentally is quite decorative. The tricky sleeves are easily slitted into the modish drop-shoulders.

And it's so inexpensive to copy it exactly.

Carried out in yellow and red-gray plaided hairy woolen weave, it's very effective.

Style No. 312 is designed in sizes 14, 16, 18, 20 years, 36, 38 and 40 inches bust.

Size 16 requires 4 yards 39-inch material with 5-8 yard 39-inch contrasting.

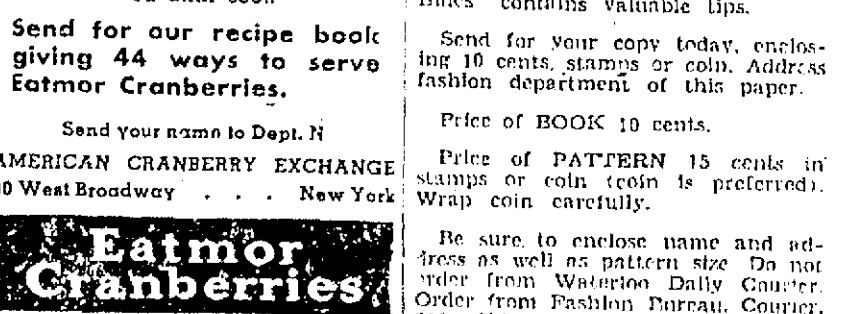

**CHRISTMAS-TIME and Cranberry Sauce**—an ideal combination. The gay red cranberry, with its delightful tangy flavor fittingly represents the cheer and happiness of the season.

Fresh cranberry sauce is delicious served with roasts or poultry. It is easy to make with this recipe—

**"10-Minute" Cranberry Sauce** (Stewed Cranberries)  
Boil 2 cups of water and 1 1/2 to 2 cups of sugar together 5 minutes, then add 4 cups Eatmor Cranberries. Boil without stirring (5 minutes is usually sufficient) until all the skins pop open. Remove from fire when the popping stops, and allow the sauce to remain in vessel undisturbed until cool.

Send for our recipe book giving 44 ways to serve Eatmor Cranberries.
