SULLIVANS FIVE
ON NEW CRUISER
LAUNCHED IN N.Y.

The Sullivans' family memorial cruiser, the USS
Joseph J. "Joey" S. Sullivan, has been launched in
New York as the first of 10 warships named for
heroes lost in action.

The ceremony took place at the New York Ship
yard in Brooklyn, where the ship was built. The
Sullivans were a family of five brothers who
served in the Navy during World War II. Three of
the brothers, Jo, Mark, and Thomas, were killed in
action, and the other two, Nick and Philip, were
missing in action.

The 10,000-ton cruiser is the largest vessel ever
built by the United States Navy. It is equipped
with a 16-inch gun, four 5-inch guns, and seven
3-inch guns.

The ship will be named after Joseph J. Sullivan,
who was killed in action during the Normandy
landings in 1944. The other brothers are also
honored in the ship's name.

The Sullivans' Memorial Foundation, which was
formed to honor the family, will oversee the ship's
design and construction. The foundation has
raised $10 million to build the ship.

The ship will be commissioned in 1945 and will
be stationed in the Pacific Ocean. It will be used
as a flagship for the U.S. Pacific Fleet.

The Sullivans are remembered as heroes who
sacrificed their lives for their country. The family's
memorial ship will serve as a lasting tribute to
their memory.
