### Inspection Reports Search

To locate inspection reports prepared by Animal Care inspectors, you may enter information in the License/Registration Type and/or State fields and then click the "Search" button.

Additional search options and information may be available for certain business entities, such as the names and addresses of corporations with commercial addresses.

Click on the icon to the left of any entry to see the associated inspection report.

To ensure that you receive accurate information, you must click the "Clear" button between every search.

License/Registration Type

BREEDER

City

Manly

State

IA - IOWA

Zip Code

Customer/Organization Name

Customer Number

Certificate Number

42-A-1278

Certificate number should be in xx-x-xxxx format
