Dutch Oven Dessert Competition Rules

This event demonstrates the contestant's ability to cook in Dutch ovens using briquettes as the heat source. **Open to non-professionals only.**

Judging: Entries will be judged on aroma, appearance, taste, quality of entry, team dress, cooking technique, and presentation. All team entrants will prepare their contest recipe(s) during the Cook-Off. Teams who prepare any portion of an entry prior to the contest will be disqualified. A judging criteria sheet will be provided. All decisions by judges are final.

Recipes: All recipes must be submitted in a format suitable to be reproduced.

Contest Times: You will be given a period of three hours to prepare and cook your dish (beginning at 1:30 pm) You may set up and get things ready before that time – but you fire up your briquettes and begin preparing your dessert no earlier than 1:30pm. The judges will be ready to judge in exactly 3 hours.

Contestants will provide: Dutch ovens, cooking tables, culinary water, lighter fluid, charcoal, charcoal starters, cooking utensils, table covers, items for clean-up, additional tables needed for prep, presentation dishes, all food and other essential items necessary to prepare their recipe(s). All cooking must be done at least 12" from the ground. Cooking tables or pans on cinder blocks must be used. For safety of the contestants and spectators, an area for cooking will be marked

Teams: Contestant teams will consist of two people of which one must be at least 18 years of age and the other over the age of 12. Spectators are welcome but only team members will be allowed inside the Cook-off area.

Health & Safety: Contestants are solely responsible for the proper selection, storage and refrigeration (if necessary) of all ingredients, the sanitation of their cooking area and the preparation of foods that are safe for human consumption. Aside from a simple barrier separating cooking and spectator areas, responsibility for safety of contestants and spectators rests solely with the contestants. Safe use of fires, and other heat sources and cooking equipment is the responsibility of the individual contestants.
