Dear George P. Butler Comprehensive High School Families,

In an effort to keep you informed, I want to let you know about an incident that occurred on our campus outside of our school building. A Richmond County School System (RCSS) Police officer observed several individuals outside of the building and approached them. During the interaction, one individual—who is not a student at our school—became involved in an altercation with the officer and was subsequently taken into custody and charged. All individuals involved are being addressed following our Code of Student Conduct and Discipline and applicable laws.

The safety of our students and staff remains our highest priority. We will continue to enforce our Code of Student Conduct and take appropriate action to address behavior that disrupts a safe learning environment. Incidents involving unauthorized individuals and aggressive behavior toward law enforcement will not be tolerated. All visitors must follow established check-in procedures and school safety protocols at all times.

We need your support in reinforcing these expectations at home and encouraging students to make responsible choices. If you or your child have any safety concerns, please report them to the school or call our Safety Tip Line at (706) 828-1077.

As always, thank you for your support of the Richmond County School System and George P. Butler Comprehensive High School.

Sincerely,

Dr. Valerie Squire-Kelly
