Dear Parents,

In order to keep you informed, we are notifying you of an incident that occurred on Tuesday, February 3, 2026, during the third quarter of a boys' basketball game between Lakeside High School and Greenbrier High School. During the game, basketball players on the court engaged in a physical altercation, and additional players joined in.

Adults immediately intervened, the game was called, and students dispersed in an orderly manner. All available video footage and recordings will be submitted to the Georgia High School Association (GHSA) for review. Student athletes involved will be held accountable in accordance with GHSA standards, the Columbia County Code of Conduct, and by the Sheriff's Department as appropriate.

The safety of students and staff is a top priority, and we take incidents such as these extremely seriously. Please rest assured that inappropriate physical contact of any nature is unacceptable and will not be tolerated. Working together, we can continue to provide a safe, positive environment for students and staff.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink that reads "Juliet King".
