

Videographer & Video Editor

Lakeland Media | Willmar, MN

Full-Time or Part-Time | \$18/hour

Lakeland Media is looking for a creative and dependable **Videographer & Video Editor** to join our team in

Willmar. This is a local creative position **based out of the Lakeland Media building in Willmar**. You'll work with

our creative team to produce engaging video content for businesses and organizations throughout West Central

Minnesota.

Responsibilities

- Film professional video content on location
- Edit short-form and long-form video projects
- Create social media videos, interviews, commercials, brand stories, and other digital content
- Capture interviews, b-roll, events, products, people, and locations
- Work with clients and the creative team to turn ideas into engaging visual stories
- Organize footage and project files throughout the editing process
- Help maintain consistent creative and technical quality
- Travel locally to client locations as needed; most production work will take place in Willmar and the surrounding area

Qualifications

- Experience with videography, video editing, or digital content creation preferred
- Experience with **Adobe Premiere Pro or similar professional editing software preferred**
- Basic understanding of cameras, audio, lighting, and video production
- Strong creative instincts and attention to detail

- Comfortable interacting with clients and people on camera
- Dependable, organized, and able to manage projects independently
- Willingness to learn and continue developing creative and technical skills

A specific college degree is **not required**. We are more interested in creativity, ability, dependability, people

skills, and a willingness to learn.

Position Details

Location: Willmar, Minnesota

Compensation: \$18/hour

Schedule: Full-time or part-time opportunities available

Some scheduling flexibility and local travel may be required for video shoots, client needs, and events.
