**\*\*All buffet options are served with a dinner roll\*\***

# FAQS

## **1: Do you do cater off premise?**

**-Yes, we are licensed and insured to cater both food and alcohol anywhere in MN. From community centers to farm weddings.**

## **2: Do you cater lunches or Sundays?**

**-Yes, our restaurant hours have no restriction on our catering timeline. Don't be afraid to ask about any dates or times.**

## **3: Is it possible to use real glass plates and silverware?**

**-We offer glass plates as an upgraded option in our ballroom. We use heavy duty disposables for off premise caterings.**

## **4: What time can I setup for my event?**

**-This really depends on the type, size, and date of the event. Typically for a large event on a Saturday we give you the Friday before to setup.**

## **5: What does it cost to rent the ballroom?**

**-We don't charge a room rent. We require a minimum sales amount in order to use the room. For the vast majority of groups this means you will have no venue cost. This will be discussed in further detail if we don't think you will reach our minimum.**

## **6: How many people does the ballroom seat?**

**-It can seat around 275—300.**

## **7: Can I hire my own DJ/Band?**

**Yes. If you need help with finding a DJ please let us know.**

## **8: When do we need to be out?**

**In Granite Falls, at our establishment, we have a 2am liquor license. We allow you to leave your gifts/decorations to be picked up later, so you can continue to enjoy your event! If it's an off-premise event we close down based on the rules of that town.**
