Dear Mr. Ratliff

We are pleased to invite you to participate in the pilot program of DeSoto County's Rapid Response Team. The DeSoto Industrial Park, LLC project is considered of economic significance for DeSoto County as you are a target industry and will create at least ten jobs that are at or above the median wage here.

As a Rapid Response Team project, the County will strive to review your project in 14 days rather than the traditional 30-day review.

In return, we ask that you return all applications, development plans, concept plans, etc. in the requested time frame. Also, please include a copy of this letter with all materials you submit.

We look forward to working with you and welcoming you to DeSoto County.

Best Regards,

A handwritten signature in blue ink that reads "Sondra Guffey".
