Part 1

Ref: A23-191478

WOMAN WAS WALKING HER TWO DOGS NEAR THE ADDRESS. 3 PIT BULLS CAME AND ATTACKED CALLER AND HER TWO DOGS. ONE IS POSSIBLY DECEASED, SHE IS EN ROUTE TO EMERGENCY VET. CALLER HAD TO SHOOT AT THE DOGS, POSSIBLY STRUCK ONE. LCSO EN ROUTE.

I responded to Blue Pearl Pet Hospital (9500 Marketplace Road) in reference to the above. ACO S. Cortella responded to the dog owner's address at 711 Fargo Dr, Fort Myers, FL to meet with LCSO Deputy Scowden (03076/23-446774). Upon arrival, I made contact with the victim, Annette Sloan (P0372365), who informed me she was walking her two dogs, Papa (A0891245) and Gabby (A0639024), when three pit bulls ran out from the house she was walking past and attacked Papa. Ms. Sloan got knocked to the ground by one of the canines. During the attack, Ms. Sloan stood up, pulled out her 9mm Glock, and shot at the attacking canines two or three times. It was later discovered that she accidentally shot her own canine in the process. The dog owner, Ivan Melo (P0300792), and his family managed to confine the canines. After the attack, Ms. Sloan rushed Papa to Blue Pearl. When I arrived at Blue Pearl, vet staff were trying to stabilize Papa. Dr. Heintz informed me that the canine had two puncture wounds which he believed to be where the bullet entered and exited the body. Papa also had an internal spinal injury which Dr. Heintz believed was caused by the attacking canine picking him up in his mouth and shaking him. There were no other external injuries on Papa other than a red spot near his right elbow. Ms. Sloan opted to have Papa humanely euthanized. LCSO Deputy Turner arrived at Blue Pearl and received a statement from Ms. Sloan. She also examined the weapon that Ms. Sloan used to shoot at the canines. I educated Ms. Sloan on RAL, T&M Behavior, Dangerous Dog, RV/CT, SS Process, and Citations. I also texted her a link to the "forms" page on the LCDAS website. She did not say if she was interested in pressing charges or not.

I then responded to 711 Fargo Dr, Fort Myers, FL where I met with Officer Cortella. Upon arrival, Officer Cortella showed me security footage from a neighbor's house which shows three canines emerge from their own property into the road and knock Ms. Sloan over. In the video it is unclear exactly which canine attacked Papa. You can see what looks like Ms. Sloan firing her weapon while Mr. Melo and his family members are trying to contain their canines.

WOMAN WAS WALKING HER TWO DOGS NEAR THE ADDRESS. 3 PIT BULLS CAME AND ATTACKED CALLER AND HER TWO DOGS. ONE IS POSSIBLY DECEASED; SHE IS EN ROUTE TO EMERGENCY VET. CALLER HAD TO SHOOT AT THE DOGS, POSSIBLY STRUCK ONE. LCSO EN ROUTE.A23-191478

I responded to 711 Fargo Dr. in reference to the complaint above. Upon arrival, LCSO was not on scene. I contacted Mr. Ivan Melo (P0300792) who identified himself as the owner of Nina (A991686), Yanky (A0991687) and Peki (A 0975095). He recounted the event and produced a video as evidence. Mr. Mello said that he heard a noise outside and he went out to see what happened, this is when he started recording. He found a lady in the grass on the edge of his property, Annette Sloan (P0372365), with two canines, one in her arms and one on the ground. Ms. Sloan was holding a pistol in front of his property. At that moment, he witnessed Ms. Sloan shoot his dog Nina. Mr. Melo, his wife, and his son where present and they were able to bring all the canines inside. Mr. Melo claims that his dogs never touched Ms. Sloan's dogs. Mr. Melo's recount of the incident does not match with the security footage later produced by LCSO. In this video, I was able to observe the three canines owned by Mr. Melo attacking Ms. Sloan's dog, Papa (A0891245), who later was humanely euthanized at Blue Pearl Animal Hospital. It was unclear in the video exactly which canine attacked Papa. LCSO Deputy Scowden (#03076/23-446774) arrived on scene and we exchanged information pertaining to the case. Inside the residence, I encountered Nina who had a bullet wound on her right front leg, the bullet enters and exits her elbow. Nina was stable and not bleeding at the time, the family provided Nina with care right after the incident. I also observed two other canines Peki and Yanky who were alert and approachable. Mr. Melo showed me proof of rabies vaccines and County licenses for Peki and Yanky, Nina was unvaccinated for rabies and without license. After getting all the information necessary for our activity I educated Mr. Melo and his wife about: Running at large, sworn statements, threatening and menacing behavior, rabies vaccines and county license, dangerous dog, and I warned them about possible citations. Mr. Melo completed and signed a Dangerous dog form and received information from the LCSO Deputy about their case.

Part 2

See Officer Clore's memo for more information on the victim and her recount of the incident. I will close this activity after educating and warning the Melo's family and collecting all the information and statements needed.
