Your generosity resulted in second highest total of 272,162 pounds of food.

On behalf of the entire Merchants Bank team, we extend a most sincere thank you to all of you who made the 2021 10 Days of Giving food drive a success for the 33rd year in a row. We appreciate partnering with community members and entities across Winona for this campaign. For a list of the 130+ participating organizations, visit merchantsbank.com/10dayspartners

The Winona area community never fails to impress us with its generosity. We are so appreciative of your support in our endeavor to ensure no one in Winona County goes hungry this winter. Because of this community working together, we’ve been able to donate over 4 million pounds of food throughout the 33-year history of the campaign. That’s something this community can be very proud of, and it’s an honor to coordinate the effort in support of Winona Volunteer Services food shelf program clients.

Andrew Guzzo
Regional President

Thank you for another great food drive!
