

REGIONAL MANAGER

The Regional Manager is the primary liaison for Wisconsin Public Radio's (WPR) audience and partners in southwestern Wisconsin, including the listening areas of radio stations WHLA/ La Crosse, WLSU/ La Crosse, WHHI/ Highland and WSSW/Platteville. Serves as the primary outreach officer in the region.

Plays a key role representing locally-based content, serving as executive producer of regional programming in southwestern Wisconsin. Quality control manager for all regionally-based programming throughout the state. Requires a high level of analytical and planning skills that support sound business decisions and ability to host and produce news/public affairs radio programming. Details:
