In Loving Memory of  
**Barbara Jean Henderson**

We miss you dearly.  
It's been a long year.

Love you always,  
**Husband Walter Henderson,**  
**your sons David and Donald,**  
**and grandchildren**

**Words cannot express  
our thankfulness...**

*for the outpouring of thoughts, prayers, words of comfort, gestures of kindness, gifts, food, cards and acts of love this community has given to us at a time of the tragic loss of our precious daughter Amelia Joanne. We have been greatly overwhelmed with the outpouring of love and we are so thankful that we are a part of a community that cares so much for its' people. It is often said it takes a village to raise a child. To those who were a part of her life here on earth and helped "raise" Amelia, I think we can all agree that life is better for having known her.*

*Well done, good and faithful servant. Matthew 25:23*
