We Fix Cars Like They're Ours!

Hi, Rich here. When I state, "We fix cars like they're ours," I mean it. That means the highest quality parts, and every nut, bolt or fastener back in its place.

Clean! Clean! Clean!

I work on Audi's to VW's and all makes in between and I do everything from maintenance to major repair. Gas or Diesel.

Just like the dealers, but cheaper!

Thanks, Rich and Barb
