March 16, 2020

Dear Vernon Elementary School District Families,

Our first priority at Vernon Elementary School District is to provide a safe and healthy environment for all students to learn. As you know, we are facing a worldwide pandemic with Coronavirus (COVID-19), and even though no Vernon Elementary School District student or staff member has been diagnosed with the disease, we believe it is important to take preventive action. The Governor and Superintendent of Public Instruction have announced that all public schools in Arizona will be closed from March 16-March 27, 2020.

Vernon Elementary School District had Spring Break scheduled from March 16th-March 19th. Beginning on Monday, March 23rd through March 26th, VESD teachers and staff will work together to provide breakfast and lunch to our students to enjoy at home. We will be dropping off food for student/parent pick up at the following locations:

Location:	Breakfast	Lunch
VESD (School)	8:00a.m.	12:00p.m.
Impossible	8:00a.m.	12:00p.m.
Crossroads 3148	8:00a.m.	12:00p.m.
Stanford General Store	8:00a.m.	12:00p.m.

Buddy Bags will be delivered at these locations on Thursday, March 26th.

VESD teachers and staff will work on preparing work packets for students to complete during this closure. Packets will go out on Tuesday, March 24th during the breakfast delivery.

VESD teachers and staff will be doing additional cleaning and sanitizing of all the school buildings and facilities prior to students returning to campus.

VESD will provide additional guidance to VESD families as more information becomes available. We will remain in close contact with state and public health officials to provide you with the most up-to-date information.
