

Pet **EXPO**

Featured pet: Washington, male, 3-month-old. Mama is a Chihuahua/Dachshund and rumor has it that a Boxer was seen in the vicinity, who may be the father. Washington is the last puppy of the litter available for one lucky family. He has spent time in a foster home, where he met other puppies and dogs and learned to be very well socialized. This is a plus for a Chihuahua mix. He is full of energy, loves to run and chase toys, loves cuddles and can be your new best friend.

Featured pet: Love is a 7-1/2 year old terrier, pit bull/retriever, labrador. She is very sweet, friendly and loving, and has a lot of love to give. A home with pets would be okay, but would need a proper introduction. She isn't bothered by much, and is very easy going. She knows basic commands, like sit and shake. She loves children and people, but not much for playing with toys.

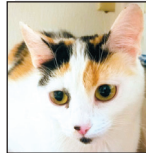

Featured pet: Mya, large fluffy torti, female 1-year-old. She loves people, treats, toys, plush beds and relaxing. She doesn't do well with other cats though. She wants all the attention. She is an indoor only kitty that is potty trained and loves to cuddle.
