

Pet EXPO

Featured pet: Sassy is a female, about 40 pounds, very active and affectionate, smart and well, to be truthful, bossy! She appears to be chow mix. She is good with other dogs, especially those who are her size and bigger and will let her boss them around. She is a great guard dog and would do well in a more rural setting. If you love to hike, walk or jog or need a dog to be your close companion, consider Sassy.

Featured pet: Gracie is approx. 1-1/2 year old terrier, American pit bull mix. She is a sweet gal, she loves to play with toys and loves being around people. She would do best in a home with older children and no cats. Gracie will need some basic training like with leash and house manners.

Featured pet: Zara is a 6-month-old mix breed female, will be a large dog. She knows the doggie door and is learning to walk on a leash. She loves the companion of other dogs and likes kids. She loves toys, would need some puppy training.
