### **The Benefits of Our Network**

At Ethos Broadband, it's our mission to bring the latest technology in high-speed internet to rural communities. We have invested millions in building one of the Southwest's most powerful and redundant networks. We are working hard every day to expand our network to serve as many rural homes and businesses in the southwest as we possibly can.

**Speed  
You Can Trust**

Speeds of up to 1GB  
\*Available in certain  
markets only

**Streaming  
Entertainment**

Stream movies, music, and television over a high-speed connection.

**Reliable  
Connectivity**

Our redundant technologies mean less interference from weather and other natural interference.

**Affordable For  
The Whole Family**

No overage fees or data caps  
\*Subject to network management plan
