March 17, 2020

Dear Parents/ Guardians,

Recently the Arizona Department of Education and Governor Doug Ducey announced that all schools in Arizona will be closed through Friday, March 27, 2020 due to concerns with COVID-19. We feel it is important to provide our students with resources for learning at home to use during these closures. Information for each grade level can be seen on the subsequent pages of this letter.

We also want to make you aware of our food/nutrition program during this school closure. Breakfast and lunch kits can be picked up from the Middle School cafeteria side gate as a drive through service during the hours of 8am-9am for breakfast and 12pm-1pm for lunch, Monday-Friday. The breakfast and lunch program will be available starting on Monday, March 23, 2020.

We appreciate all you do to help your child be successful and wish the best for our Coronado families during these difficult times. We will continue to keep you updated about the school closure as developments unfold.

Sincerely,

Mrs. Kim Fejes

Coronado Principal
