

Featured pet

Muddy is a male, 2-year-old, cattle dog. Muddy is back! We used to think he was a cattle dog mix - and maybe there is some cattle dog in there, or maybe there's Labrador, or maybe pit bull. We're just not sure. But he is handsome, happy, playful and he loves to destroy stuffed animals.

Featured pet

Zeus is a male 9-month-old boxer/Australian shepherd. He is very energetic, loves to bounce around and play. He would do best in a home with older children because of his energy. He does great with other dogs, will need some basic training, but should pick it up quickly. Would make a great hiking buddy.

Featured pet

Cooper is a 1-1/2 year old catahula mix male, weighs about 45 lbs. Walks great on a leash, knows a dog door and loves to play. He has lots of energy to be a exercise buddy.
