

Featured pet: Roxie, female, 8-month-old, Labrador and Chinese Shar-Pei mix. She is sweet and loving, good with children and rides ok in the car. She is very active, likes walks and energetic play time and will need extra training time in her early days with you in order to become the pet you will enjoy for years to come.

Featured pet

Sophia is approximately 1-1/2-year old Australian cattle dog mix. She is sweet, needs an understanding and patient home and people that are soft spoken and have lots of love to give. She can be choosy when it comes to people and will need time to come out of her shell. She loves to be outside on adventures, walks well on a leash and is very smart. Knows basic commands. She doesn't like cats and a home with older children would be best for her.

Featured pet
