## Pet of the Week

Skipper is a beautiful female 2-year-old retriever/lab mix looking for a furever home and a family to love her. She is pretty easy going and would love nothing more than to be by your side and get lots of love and attention and ear scratches too. Her favorite toy to play with is a tennis ball. They are just so much fun. I'm sure you could teach me some cool tricks too. I will need some training, like leash and house manners. She is smart and she can learn quickly.
