

Pet EXPO

Featured pet: Natus, 1-year-old male pit bull/Bullmastiff mix. He came to the shelter because the owner had too many animals. He is strong on a leash and will need basic training. He's not housebroken, but is young enough to be taught. He has the potential to be a great dog, just needs some love & attention.

Featured pet: Houston is a 1-1/2 year old Mastiff mix. He is friendly and active, loves to run. He will need to learn the leash and house manners and would do best in a home with older children. He is a big guy. He might be better with female dogs his size. He cannot go to a home with cats.

Featured pet: Ozzie is a very happy 4-year-old Shitzu mix. He is very friendly and loves to be by your side. He is spunky and smart, would need a very well secured yard because he is so smart! He has lots of energy and knows the dog door and sit.
