

Featured pet

Ace, female, 4-year-old, American Pit Bull. Ace just had puppies when she came to the shelter as a stray. She was seen all over the mountain before she was picked up at Ace Hardware. We've found she can climb a 4 foot-high fence, if left alone too long.

Featured pet

Harvey is a 1-1/2-year-old male cattle dog mix. He is an active and loving guy who loves to play fetch. He loves to go on walks and is great on a leash. Would do best in a home with older children. He is good with other dogs, he would need to meet them first before he can go home with you.
