

Pet EXPO

Featured pet: Ollie is a 5-month-old male tri-color mix English Springer Spaniel and Queensland Heeler. He loves attention but doesn't like the top of his head to be touched. Ollie is gorgeous and is good with older children. He will need extra training time in the early days that all pups need in order to become the pet you will enjoy for years to come.

Featured pet: Lola is a 7 1/2 year old terrier, pit bull mix. She is super sweet, loves attention, and likes other dogs with proper introduction. Would be good in a home with kids, however, she needs to go to a home without any cats or livestock. She knows some basic commands like sit, likes to play with toys and is very very respectful.

Featured pet: Thea is a female 6-month-old Calico. She is a major purr machine, loves attention, loves to play with toys, treats and gets along with other cats. She is definitely one of the volunteer favorites at the shelter.
