

Featured pet

Megan, female, 6-year-old, Plott Hound. She is a happy dog and enjoys everything that happens and watches it all very carefully. We estimate her to be a 6-year-old brindle patterned brown female Plott Hound. Her nose is something for the record books. She can find a scrap of food at 20 paces. Megan is good with other dogs and house-trained from what we can tell. She is very smart and will learn whatever you want to teach her (except to be late for dinner). If left alone outside too long, she will dig to China.

Featured pet

Abraham is a 2-year-old shepherd mix. He is sweet, shy and a loving dog. He is very active, loves the outdoors and would make the best hiking buddy. He is good with other dogs, but will need a proper introduction before you take him home.

Featured pet
