

Featured pet

Sunny is a 1-1/2-year-old male hound mix. He is very loving, quiet and calm dog. His playmate was recently adopted and Sunny misses her very much. Sunny would do well with other animals. He is willing to be a couch potato or as active as you may wish.

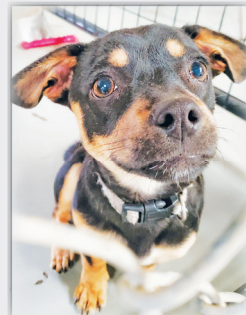

Featured pet

Laker is a 8-month-old retriever/lab mix. He is a sweet boy, active, energetic that needs lots of room to run and play. He is a bit goofy, but a cuddle bug and loves being around people. He will need patience while teaching him the leash and house manners. Would do best in a home with older children.

Featured pet

Kazooie is a female chihuahua mix at 5-month-old. This adorable big eyed black and tan kid is very energetic and would need puppy training. She is learning to walk on a leash and knows a dog door already.
