

Pet EXPO

Featured pet: Saint is a 9-month-old tan with black female shepherd mix. She is sweet natured, good with children of all ages, housebroken, leash trained and rides well in a car. Saint likes chew toys and balls. She will dig holes when left in the yard.

Featured pet: Houston is a 1-1/2 year old Mastiff mix. He is friendly and active, loves to run. He will need to learn the leash and house manners and would do best in a home with older children. He is a big guy. He might be better with female dogs his size. He cannot go to a home with cats.

Featured pet: Ozzie is a very happy 4-year-old Shitzu mix. He is very friendly and loves to be by your side. He is spunky and smart, would need a very well secured yard because he is so smart! He has lots of energy and knows the dog door and sit.
