

Pet EXPO

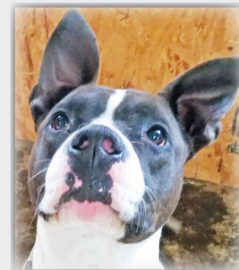

Featured pet: Oreo is a 2-month-old male border collie. Oreo was brought in as a stray with his sister. He is energetic, playful, and loving. He will need attention and training to become the dog that you've always wanted.

Featured pet: Mitzie is a 1-year-old Australian cattle dog mix. She is the cutest, sweetest and friendliest with lots of energy and LOVES to play: tennis ball is her favorite, and tug-of-war. A home with lots of room to play and run is a must, and a home with older children would be best. She will need some training to learn manners and the basics. She is very smart and will pick up training fast. She will need to meet other dogs first to make sure they get along.

Featured pet: Miss May is a female pitbull mix with a very happy soul. She loves to play with water and carries her favorite bowl with her everywhere she goes. She play well with most dogs and walks well on a leash. She would need some house training but she is worth it.
