WEST POINT LIVESTOCK AUCTION

"Eastern Nebraska's newest and most modern Livestock Market"

S. Hwy 275 West Point, Nebraska
(Located in the heart of cattle country—Cuming County!)

Thursdays: 10 am, Fat Cattle/Weigh Cows/Bulls • 12:30, Feeders/Bred Cow/Prs

Thurs., June 13th - Weekly Sale

Thurs., June 20th - All Class Calf & Yearling Special

Thurs., July 4th - NO SALE

Market Report: June 6th

Weigh Cows/Finish Cattle	309 head
Drug Free Top Fats Choice/Select	116.50
2-way Cattle Holstein/Jersey	114-116
	70-75
Top Cows	58-70
Bulk	50-57
Low Yield	35-49
Bulls	70-90
Young Feeding Cows	60-70

Had some good sets of fats in town with a market that was fully steady from a week ago, sending our top fats out at 116.50. We found our weigh cows and bulls to slip back from a week ago, sending the bulk of the cows out from 50-57. We finished the afternoon with a short run of feeders and cow/calf pairs.

I would like to let everyone know we are going to be closed for the Thursday, July 4th sale and hope it works in everyone's schedule for the week before or the week after. If you are thinking about moving any stock, please give us a call so we can schedule you for a special sale.

School Sports Physicals

will be offered
Now through August 13, 2019
at the:

Dinklage Medical Clinic
Wisner Family Practice
Howells Family Practice
Oakland Family Practice
Scribner Medical Clinic
Hooper Medical Clinic

Please make an appointment for your child or children.

Parents must ask for school physical rate.

At FCS, we want to know you and your child and make sure they have a successful school year and develop healthy habits for life!

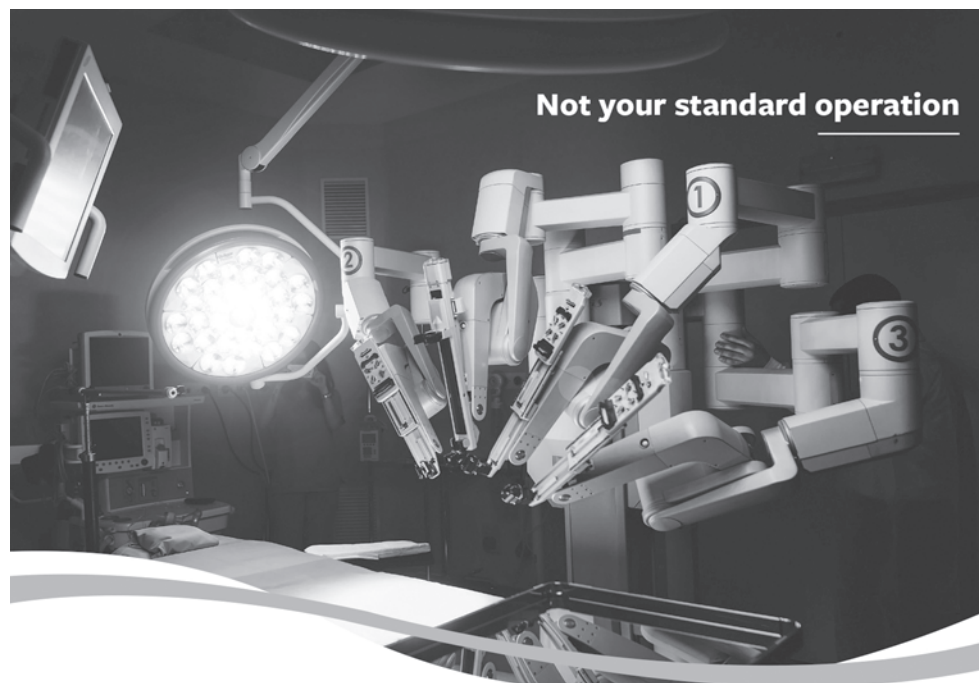

The benefits of a sports physical appointment are:

- Great time to visit with your provider
- Update vaccines
- Allow you to discuss any health and wellness concerns

Cost: Insurance co-pay or \$49

1. Please bring a completed **"History Form."** We have them available.
2. Bring a first morning **urine sample.** To prevent unnecessary re-checks, your child should drink plenty of fluid, 48 hours before the sample is taken. We can collect the sample.
3. Students must bring their **immunization records.**
4. Girls are reminded **not** to wear a **sports bra** because of the scoliosis check.
5. Students who wear glasses or contacts need to bring/wear to the appointment for the eye exam.

Each student will be given a **"Consent to Participate"** and **"Physical"** form, because of HIPPA laws. Our medical staff encourages parents to share the entire physical form with the school in the interest of the health of your child, particularly if your child has health concerns that the school nurse and/or coaches should be aware of.

Not your standard operation

Robotic assisted surgery now available at Pender Community Hospital

Innovative, state-of-the-art surgical technology is now available at Pender Community Hospital. Our **da Vinci robotic system** helps surgeons provide patients with outcomes that include less scarring, shorter recovery times, and quicker healing. Because of this, patients experience less pain and a reduced need for opioid medication. We're proud to offer patients the best care available, and that's why we are proud to be the first critical access hospital in the state to offer robotic surgery. You can get the best care available while staying close to home in rural Nebraska. We are not your standard operation—and yours shouldn't be either.

Dr. Mark Abraham
General Surgeon

Surgeries performed:

- Colon procedures
- Hernia repair
- Gallbladder operations
- And more

 WINTER 2019
Caring For You

Congratulations Servant Living Award Winners

Please join us in congratulating Dan Fischer and Dara Schlecht, our most recent Servant Living Award winners! Dan works in the Maintenance Department and has been with FCS for 12 years. Dara is the Assistant Director of Clinical and Regulatory Services and has been with FCS for one year. Here are Dan and Dara's Servant Living nominations:

Dan is always smiling and friendly when you meet him in the hallways. When he is asked to do something he never says no and will get it done efficiently. Dan is a very valuable coworker and a great team player. He is very proactive and thinks of tasks that need to be completed before they ever happen such as installing outlets and preparing for storms.

Dara returned to West Point and Franciscan Care Services just over a year ago. As Assistant Director of Clinical and Regulatory Services, Dara encounters many patients, visitors, co-workers and FCS staff throughout the day. I see Dara foster an environment of learning, trust, smiling and respect with each interaction. Dara is always respectful in manner. Whether a one-on-one interaction or in a meeting situation Dara listens, coaches, and humbly asks questions to gain insight. I have learned from Dara her job at FCS, she is giving her time to help high school students in our area with the "Bright Lights" project through the Cumming County Economic Development. Again Dara will serve as an excellent role model, coach, and leader to her group of young adults. I look forward to continuing to work with Dara and to see how Dara will continue to shape our FCS corner of the world through

NCF holds visioning session at HDC

Nebraska Community Foundation staff facilitated a visioning session for 26 students at Howells Dodge Consolidated school. Each member of the enthusiastic group, representing freshman through senior classes, offered ideas based on the question, "What future do I want to create for Howells?" A drive-in movie theater, improvements to the public pool, and an outdoor track ranked high on the dream list.

Howells Holiday Home Tour
 A Howells Holiday Home Tour is on the calendar for Sunday, November 25, from 5:00-7:00 p.m. The Howells Community Fund will be sponsoring the tour, which will include several area homes festively decorated for the holidays AND a free "Man Caves" to interest those who may want to see something other than Christmas trees!

A Note from Kent Smith
 This past year has been a tremendously successful one - this is due because of people like you. The Howells Community Fund's mission statement contains the words "generosity" and "generosity" is helping ensure this lasting impact for future generations. You inspire all of us on the Fund Advisory Committee (FAC). This annual report is a way to update the Howells community on the status of the general and permanent endowment funds. This report is used to publicly thank the wonderful individuals and organizations that have donated to the fund since our last annual report. A few years ago, the Howells Community Fund planted a tree near the Howells gymnasium. In subsequent annual reports, we have included a picture of this tree. A current picture of this tree is located inside this year's report. After six years as the Chairman of the Howells Community Fund, it is time to step down. Jeff Wegner has graciously volunteered to be the next Chairman of the Howells Community Fund. Please enjoy your
