**Market Report: Feb. 18, 2021**  
Had a short run of fats for our Thursday, February 18th auction, finding a market that was definitely more active. Our top fats went out at 115.60. We followed with a very active weigh cow and bull auction, finding it 3 to 5 higher again this week. We finished the afternoon with a short run of feeders, gathering a good active market. If you have any cattle you are thinking about moving please give us a call and we would be more than happy to stop out and visit with you about our upcoming specials.
