

Community focus

WE OWN IT.

“As a leader at CEC, and as campaign chair for the 2020–2021 United Way of Marion and Taylor Counties annual campaign, I understand how critical great leadership and support are for our communities. I believe in the generosity of our community, because I see it every day working at CEC. When people are in need, CEC is there to support them. It’s as much a part of our day as delivering great service to our clients. We’re all in this together.”
