*Offer applies only to single-receipt qualifying purchases. No interest will be charged on the promo purchase and equal monthly payments are required equal to initial promo purchase amount divided equally by the number of months in promo period until promo is paid in full. The equal monthly payment will be rounded to the next highest whole dollar and may be higher than the minimum payment that would be required if the purchase was a nonpromotional purchase. Regular account terms apply to non-promotional purchases. For new accounts: purchase APR is 29.99%. Minimum interest charge is \$2. Existing cardholders should see their credit card agreement for their applicable terms. Subject to credit approval. ‡Monthly payment shown is equal to the purchase price (excluding taxes and delivery) divided by the number of months in the promo period, rounded to the next highest whole dollar, and only applies to the selected financing option shown. If you make your payments by the due date each month, the monthly payment shown should allow you to pay off the purchase price within the promo period if this balance is the only balance on your account during the promo period. If you have other balances on your account, this monthly payment will be added to the minimum payment applicable to those balances. 20% down payment required. Previous purchases excluded. Cannot be combined with any other offer or discount. Although every precaution is taken, errors in price and/or specification may occur in print. We reserve the right to correct any such errors.
