

Client  
service

**WE  
OWN  
IT.<sup>TM</sup>**

“At CEC, we focus on building client relationships with a personal touch. Once that has been established, helping a client reach their objectives on projects is like helping a friend. If you genuinely care about the client’s needs and support that with clear communication, honesty, accessibility, quality work, and financial responsibility, then excellent client service is sure to follow.”

**ERASMO RIZO, Senior Project Manager**
